

NorthStar Working Capital Policy — Singapore — v7.0

Control

Jurisdiction: Singapore

Status: CURRENT

Effective: 01 September 2026

Policy ID: SG-WC-070

Exception Governance

Exceptions above SGD 5 million require documented risk rationale and approval by the Singapore Credit Committee. Relationship managers may recommend but may not approve their own exceptions.

Evidence

Current exposure must be obtained from the approved customer exposure system, not inferred from meeting notes.
